Subject: Division Directive to Update Operations Plan, C. E. Butters Realty and Construction, Towers Sand and Gravel Mine, M/057/0006, Weber County, Utah

Dear Mr. Butters:

In response to the directive issued by the Division of Oil, Gas and Mining for you to update the operations plan sent on April 9, 2014, an email was sent to the Division on July 13, 2015, with a paragraph that was to presumably replace the operations plan section in the Notice of Intention (NOI). The Division responded to the email on July 17, 2015, requesting that a stand-alone replacement page be provided. The Division has yet to receive that page.

The Division hereby directs Towers Sand and Gravel to provide the replacement page along with a MR-REV form as a cover page. This needs to be received by the Division by November 30, 2015, to avoid a possible Notice of Violation. The MR-REV form can be downloaded from the Division's website at [http://linux3.ogm.utah.gov/WebStuff/wwwroot/minerals/permit\\_forms.html](http://linux3.ogm.utah.gov/WebStuff/wwwroot/minerals/permit_forms.html).

Thank you in advance for your prompt attention to this matter. Please contact Mike Bradley at 801-538-5332 or me at 801-538-5261 if you have questions regarding this letter.

Sincerely,

Paul B. Baker  
Minerals Program Manager
